## PRODUCT DESCRIPTION

LYTE Hemp Extract contains different cannabinoids, including CBD, that have shown certain health benefits such as reducing anxiety and pain from inflammation. LYTE Hemp extract does not have the psychoactive properties due to ZERO THC so you can reap the benefits of hemp extract without getting high.

LYTE Hemp Extract is from a proprietary cultivator of hemp plant developed for consistency and to maximize the effectiveness of our hemp extract. It is a natural product extracted from the aerial parts of the hemp plant.

LYTE hemp extract products are handcrafted from pure 100% Kentucky Hemp. All natural – no artificial anything. Preservative free.

Our THC free hemp extract is made using a supercritical CO2 fluid extraction process in a state of the art facility.

You can trust our product quality and potency, as all of our products are 3rd party lab tested to verify the quality and quantity of hemp extract.
