WE BUILD --- EXPERIENCES

Crush Global Hemp Derivative Extract is a full spectrum blend made from natural components of 100% pure Kentucky industrial hemp and contains no preservatives. Our goal is to provide people with a natural and safe alternative method for combatting stress, anxiety, pain, and other medical issues. Our premium products are safe, fast-acting, and non-addictive. They contain only the highest quality organic ingredients and are 100% chemical free and non-psychoactive.

DEFINITIONS:

Active: to be active and remain active requires a minimum 50PV in the current month.

PV: personal volume which includes volume from personal orders and personally sponsored customer orders

GV: all volume from downline distributors orders plus all volume from all downline customer orders

CV: each product is assigned a CV "commission value". There are 4 ranks and rank promotions are determined by the number of personally sponsored distributors, PV, and GV.

When a new person buys an enrollment pack they begin at rank 1.

RANKS & PROMOTION REQUIREMENTS

RANK 1

Needs to be **(Active)** 50 PV minimum to be qualified for commissions
Earns a fixed dollar amount on enrollment packs.
Earns a % of CV on all product sales including their own purchase
Earns a 10% matching bonus on all personally sponsored distributors

To be promoted to Rank 2:

Needs at least 2 active personally sponsored distributors In Rank 1 Code
Needs at least 6 active distributors in Rank 1 code group

Earns a % of CV on all product sales including their own purchase
Earns a 10% matching bonus on all personally sponsored distributors

To be promoted to Rank 3:

Needs at least 2 active personally sponsored distributors in Rank 2 Code
Needs at least 24 active distributors in Rank 2 code group
Needs at least 1200 GV

RANK 2

RANK 3

Needs to be **(Active)** 50 PV minimum to be qualified for commissions
Earns a fixed dollar amount on enrollment packs
Earns a % of CV on all product sales including their own purchase
Earns a 10% matching bonus on all personally sponsored distributors

To be promoted to Rank 4:

Needs at least 2 active personally sponsored distributors in the in Rank 3 Code
Needs at least 48 active distributors in Rank 3 code group

Needs at least 2400 GV

- Needs to be (Active) 50 PV minimum to be qualified for commissions
- Earns a fixed dollar amount on enrollment packs
- Earns a % of CV on all product sales including their own purchase
- Earns a 10% matching bonus on all personally sponsored distributors

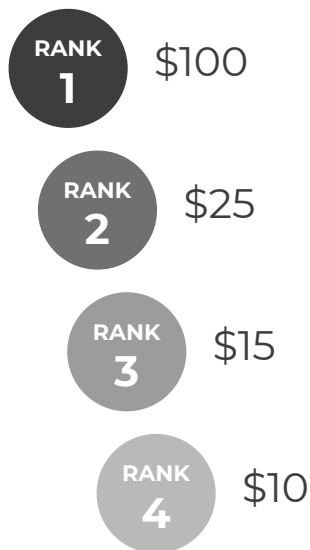

THIS IS A "CODED" STAIRSTEP PLAN.

Beginning at rank 2 when you enroll new people you get a larger commission on personal sales and enrollments (both the 1st rank and second rank).

If your enrollments or anyone under them enroll somebody you get the second rank commission. Once an enrollment reaches the same rank as you, you do not earn anything on their new enrollments but you keep earning forever on the previous ones.

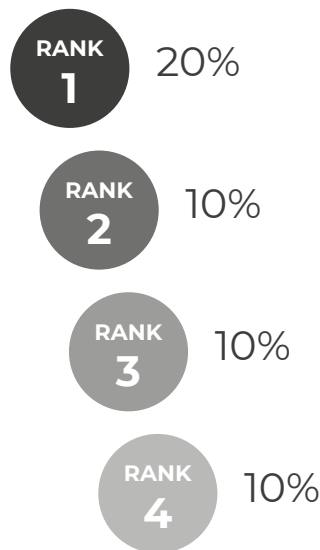

Once you get promoted to rank three, all these people stay in your rank 2 and you start adding new people into rank 3 etc.

Payout for Base Enrollment Pack cost: \$300 CV300

The enrollment pack commissions are paid a fixed \$ amount

Payout for all non enrollment pack Products is based on product CV:

orders except enrollment packs are paid by % of CV (commission value)
